PROFESSIONAL EXPERIENCE

Arkan Retail Group
Jan 2024 – Present

Senior Financial Analyst · *omnichannel retail · 140 stores + e-commerce — Dubai*

- Support FP&A for **2 business units**: annual budget, rolling forecast, and monthly performance reviews.
- Improved forecast accuracy **±7.1% → ±4.5%** by rebuilding the model on volume drivers (traffic, conversion, basket size) with weekly actualization.
- Supported the commercial team on category-mix repricing analysis: **gross margin +60 bps** in 2024.
- Prepared investment-case analyses for **8 capex proposals** as part of the 2025–2027 planning cycle.
- Built **5 Power BI dashboards** for management reporting: close-to-report cycle 12 → 9 business days; ~15 analyst-hours/month saved.

Arkan Retail Group
Apr 2022 – Dec 2023

Financial Analyst

- Prepared monthly variance analysis and management reporting for **2 retail banners**.
- Contributed to the store P&L model used in **6 new-store go/no-go decisions**.
- Automated **6 recurring Excel reports** with VBA, saving ~10 hours/month.
